## LECTURE WORKSHOP ON "BIODIVERSITY AND HUMAN WELFARE"

### TWO DAYS SCIENCE ACADEMIES' LECTURE WORKSHOP

The two days Science Academies Lecture workshop on "Biodiversity and Human Welfare" was held at Kakojan College premises on 5th and 6th October 2018. The workshop started with an introductory speech by Dr. Archana Bhattacharjee, Academic Vice Principal and Co-ordinator of IQAC, Kakojan College. Dr. Hemakanta Hazarika, the President of the Governing body of the college lighted the inaugural lamp and delivered an inaugural speech. From a philosophical perspective, he asserted his view regarding the protection of biodiversity and the human values associated with the subject. It was followed by a welcome address delivered by Dr. Ruprekha Bordoloi, Principal of the college. She extended her welcome to the honourable resource persons and delegates coming from various institutions.

There were eight technical session during the workshop which were chaired by eminent scientist and academician Dr R. R. Rao (INSA honorary scientist, formerly Associate Professor NEHU, Joint Director, BSI and Director grade Scientist, NBRI CIMAP), Dr. K.R. Sivanna and Dr. M Sanjappa; INSA Honorary Scientist and Dr. S. K. Borthakur, Professor, Department of Botany, Gauhati university. Dr. R.R. Rao, Convener of the workshop, in his deliberation focused on the objectives of the Science Academies and informed the participants that this initiation will help boost the image of Science and would provide a platform to the young teachers and students for exploration of their study as well as research. Total 100 participants from eight different institutions including the host institution of undergraduate as well as post graduate level and Scientist from RFRI and C.M.E.R. & T.I. have participated in the workshop. All the sessions were highly interactive. All the speakers in their lecture revealed that biodiversity has immense importance in our life; we have to use our traditional and scientific knowledge for sustainable utilization of it. The workshop came to an end with vote of thanks offered by Dr Nibedita Gogoi, Coordinator of the workshop.

National Science Academies - Indian Academy of Sciences (Bangalore), Indian National Science Academy (New Delhi), National Academy of Sciences India (Allahabad) Sponsored Two Days (02) Lecture Workshop on "Biodiversity and Human Welfare" to be held on 5th and 6th October, 2018 organised by Internal Quality Assurance Cell (IQAC) and Science Club at Kakojan College, Jorhat, Assam - 785 107.

#### Indian Academy of Sciences (IASc), Bangalore :

The Academy, established in 1934, aims in promoting the progress and upholding the cause of science in the pure and applied branches. Its major activities include publication in scientific journals and special volumes, organizing meetings of the fellows, discussions on important topics, recognizing scientific talent, improvement of science education and taking up other issues of concern to scientific community.

#### Indian National Science Academy (INSA), New Delhi :

It was established in 1935 with the sole objective of promoting science in India and harnessing scientific knowledge. The main activities of academy are publishing journals, organizing scientific discussions and bringing about proceedings and monographs.

#### National Academy of Sciences, India (NASI), Allahabad:

It is the oldest Science Academy of the country founded in 1930. Its main objective is providing a national forum for the publication of research work carried out by Indian Scientists and to provide opportunities for exchange of view among them.

#### About the Institution:

Kakojan College was established in 1967 by the educationist, public, social workers and others in the greater Kakojan area in the district of Jorhat, Assam to satisfy the long standing need of Higher Education among the students of the rural area. The college is located in a rural area by the side of National Highway 37 which is 15 km away from the city of Jorhat surrounded by the people belonging to TGL, GEN, OBC, MOBC, SC, ST and Minority. Basically, students coming to Kakojan College belong to poor, backward and flood-affected families. The institution started Science Stream in the year 1994 and the stream has been provincialised by the Government of Assam in 2013. The institution invariably secures distinguished results in Higher Secondary and Degree Examination including Rank, 1st Class, Distinction, Star Marks, Letter Marks etc. The healthy academic atmosphere, the good results, the personal care and guidance offered by the faculty members have marked some plus points for the academic growth of the students. The college has established an "Organic Model Garden and Production Unit" in the extended area of the college campus in collaboration with NEADS, a local NGO, and initial support of Fertile Ground, Canada. Upholding the noble mission of the founders to provide Higher Education to the students of the rural, unprivileged and backward area of East Jorhat, the institution moves ahead towards excellence. The college was accredited with " B+ " grade in the Second Cycle of re-accreditation by NAAC and also celebrated Golden Jubilee in January, 2018 to mark the successful completion of 50 years.

#### About the Internal Quality Assurance Cell (IQAC) :

The Internal Quality Assurance Cell (IQAC) of Kakojan College was established in 2005 for monitoring Quality Education and adopting various steps through different criterions as directed by National Assessment and Accreditation Council (NAAC). It has established a bridge with the Alumni, Guardians and Public for greater interest of the development of the student community as well as the neighbourhood.

#### Scope of the Workshop:

The two days Science Academies Lecture Workshop on "Biodiversity and Human Welfare" will provide a fruitful platform for the interaction of young minds and faculty members with a galaxy of eminent academicians from various Indian institutions.

The main objectives of the workshop is to motivate biology teachers and the students towards scientific work in new dimension. It will also put emphasis on acquiring specific knowledge regarding evolution of biodiversity of North East India and their conservational strategies.

## WORKSHOP ON “REVISED ASSESSMENT AND ACCREDITATION FRAMEWORK”

### NAAC SPONSORED WORKSHOP ON REVISED ASSESSMENT AND ACCREDITATION FRAMEWORK (RAF)

Kakojan College, Jorhat, Assam hosted a NAAC Sponsored workshop on the Revised Assessment and Accreditation Framework (RAF) on 18th January, 2019. The purpose behind the workshop was to create awareness about the new accreditation process and modification introduced in the system since 2017. This paradigm shift in the entire methodology is an unknown domain for most of the institutions, specially located in the rural areas that have not yet completed the 2nd Cycle of accreditation or the new colleges who are yet to start the accreditation process. The workshop was attended by Co-ordinators of IQAC and faculty members of different institutions. The resource person invited to conduct the workshop was Prof. Niranjan Roy, Professor and Head, Department of Economics, Dean, MG School of Economics and Commerce, Assam University, Silchar. He conducted two technical sessions where he discussed at length

issues related to the new accreditation framework viz. (a) From qualitative peer judgement to data based quantitative indicator evaluation increasing objectivity and transparency, (b) Extensive use of ICT confirming scalability, (c) System Generated Scores through third party validations of data, (d) Revised metrics to bring enhanced participation of students and alumni in assessment process. The workshop ended with an interactive session where resource person addressed all the queries and doubts of the participants in a very explicit manner.

National Assessment and Accreditation Council (NAAC) Sponsored One Day (01) Workshop on "Revised Assessment and Accreditation Framework (RAF)" to be held on 18th January, 2019 organised by Internal Quality Assurance Cell (IQAC) at Kakojan College, Jorhat, Assam - 785 107.

#### About National Assessment and Accreditation Council (NAAC) :

The National Assessment and Accreditation Council (NAAC) is an autonomous organisation that assesses and accredits higher education Institutions (HEIs) in India. It is an autonomous body funded by University Grants Commission of Government of India headquartered in Bangalore. NAAC was established in 1994 in response to recommendations of National Policy in Education (1986). This policy was to "address the issues of deterioration in quality of education", and the Programme of Action (POA-1992) laid out strategic plans for the policies including the establishment of an independent national accreditation body. Consequently, the NAAC was established in 1994 with its headquarters at Bengaluru. NAAC evaluates the institutions for its conformance to the standards of quality in terms of its performance related to the educational processes and outcomes, curriculum coverage, teaching-learning processes, faculty, research, infrastructure, learning resources, organisation, governance, financial well being and student services.

#### VISION & MISSION OF NAAC

**Vision :**  
To make quality the defining element of higher education in India through a combination of self and external quality evaluation, promotion and sustenance initiatives

#### Mission :

- To arrange for periodic assessment and accreditation of institutions of higher education or units thereof, or specific academic programmes or projects;
- To stimulate the academic environment for promotion of quality of teaching-learning and research in higher education institutions;
- To encourage self-evaluation, accountability, autonomy and innovations in higher education;
- To undertake quality-related research studies, consultancy and training programmes, and
- To collaborate with other stakeholders of higher education for quality evaluation, promotion and sustenance.

#### About Revised Assessment and Accreditation Framework (RAF):

The Revised Assessment and Accreditation Framework (RAF) of NAAC was launched in July 2017. It represents an explicit paradigm shift making it ICT enabled, objective, transparent, scalable and robust. The revised framework developed in partnership with stakeholders have a distinct focus on data capture for quantitative assessment and processed details for qualitative assessment and is an effort to make the Assessment and Accreditation Process more robust, objective, transparent, outcome oriented and stake-holder friendly.

#### About the Institution:

Kakojan College was established in 1967 by the educationist, public, social workers and others in the greater Kakojan area in the district of Jorhat, Assam to satisfy the long standing need of Higher Education among the students of the rural area. ## About the Workshop Theme :

World over, libraries are constantly facing challenges to meet the ever increasing expectations of users due to lack of funds. Therefore, it is high time that libraries upgrade their services and systems using innovative approaches and making use of latest technology to fulfill ever increasing users' expectations. Open source software for automation and modernization of services offers a great opportunity for librarians and has come handy in meeting users' expectations.

Koha is a state of art library management software. It is open source software and hence one can use it free of cost. Koha allows total customization and complete control of library data at a fraction of the cost of a proprietary system. Its main strength is its web accessibility and ease of use. Libraries do not have to install the software on staff and user terminals. Koha supports all library housekeeping activities such as Acquisition, Cataloging, Circulation, Serial Control, Patron Management, and OPAC. It also supports Web 2.0 tools. Thus, Koha can be readily configured to the needs of each library and is updated with new features frequently.

## Objectives of the workshop :

1. To create awareness among professionals about open source technology and its application in library;
2. To acquaint the participants with the installation of Koha on server class machines;
3. To provide extensive hands-on-training to the participants so as to enable them to work independently;
4. To help participants in understanding the open source software Koha to automate their libraries and upgrade their service quality.

## Topics to be covered :

- ☞ Koha installation on Linux 16.04
- ☞ How to create a Library
- ☞ Create a Super Librarian
- ☞ Add an Item type
- ☞ Create MARC framework
- ☞ Cataloging and Circulation
- ☞ Global System Preferences
- ☞ OPAC

## Benefits:

The proposed State Level Workshop on Koha and Library Automation will help the LIS Faculty, participating Librarians, Students, Research Scholars to strengthen their libraries and professional career.

## About the Institution:

Kakojan College was established in 1967 by the educationist, public, social workers and others in the greater Kakojan area in the district of Jorhat, Assam to satisfy the long standing need of Higher Education among the students of the rural area. The college imparts education in B.A. and B.Sc. with Six Short Term Self Funded Add-on Certificate Courses. Besides there are study centres of Krishna Kanta Handique State Open University (KKSOU) and National Institute of Open Schooling (NIOS) for DI.Ed. Course. The college is located in a rural area by the side of National Highway 37 which is 15 km away from the city of Jorhat surrounded by the people belonging to TGL, GEN, OBC, MOBC, SC, ST and Minority. Basically, students coming to Kakojan College belong to poor, backward and flood-affected families. The institution started Science Stream in the year 1994 and the stream has been provincialised by the Government of Assam in 2013. The institution invariably secures distinguished results in Higher Secondary and Degree Examination including Rank, 1st Class, Distinction, Star Marks, Letter Marks etc. The healthy academic atmosphere, the good results, the personal care and guidance offered by the faculty members have marked some plus points for the academic growth of the students. The college has established an "Organic Model Garden and Production Unit" in the extended area of the college campus in collaboration with NEADS, a local NGO, and initial support of Fertile Ground, Canada. Upholding the noble mission of the founders to provide Higher Education to the students of the rural, unprivileged and backward area of East Jorhat, the Institution moves ahead towards excellence. The college was accredited with "B+" grade in the Second Cycle of re-accreditation by NAAC and also celebrated Golden Jubilee in January, 2018 to mark the successful completion of 50 years.

## About the Library:

The College library contains a good collection of books on various subjects which caters to the needs of students and faculties. All possible steps are taken to equip the library with modern facilities. The library subscribes ample number of Journals, Magazines, News Papers etc. Digital Library facility is available in the college library. The students may avail digital library facilities. The college Digital Library is also linked up with National Digital Library (NDL). The college is registered under INFLIBNET (NLIST). The library has been providing one multi-media computer system, Photocopy and Internet facilities are also available. The departmental library facilities are also available in each department.

#### About the Seminar :

Crime against women adversely affects a country's human social and economic development. The North-eastern region has continued for long to be a conflict zone with diverse problems like armed conflict in the shape of insurgency, extremism, border conflict, ethnic conflict and other sub regional conflicts. Apart from these conflicts, the region is also burdened with natural calamities like flood, landslides, etc. Many of the problems faced by the women of the region are different from those of other parts of India. As for instance, crimes like sati, purdah, female infanticide, honour killing, etc. are relatively low in this region, compare to cases of rape, kidnapping, domestic violence etc. The political and geophysical dimensions often destabilize the socio-economic life of the people. Women, stand out as the worst sufferers in both scenarios. For instance, women became a part of this conflict as victims and survivors. In times of political turmoil, reports of brutal sexual assault, rape, and mutilation committed by armed personals are common. These atrocities leading to women human rights violation are at times justified in the name of political measures during conflicts. Again, the breakdown of the economy due to frequent natural calamities is a driving force behind increasing women trafficking in Northeast. The main objectives of the seminar are to trace out trends and patterns of crime against women in area prone to conflict and calamities, to identify factors and forces related to women human rights violation and to explore possible ways of addressing multi faceted crime against women.

#### Sub-Theme:

- ❖ Crime against women in North-east India – nature, trends and magnitudes
- ❖ Crime against women - insurgency, extremism, border conflicts and ethnic conflicts etc
- ❖ Crimes committed against women by security forces and its impact on society

❖ Sexual violence and social stigma, violation of human rights, socio-economic livelihood vulnerability, cyber crime against women, corporate sector

- ❖ Women in natural calamities – flood, earthquakes and landslide and other natural hazards
- ❖ Woman and domestic violence, financial disruption, unemployment and forced displacement
- ❖ Crime against women and its depiction in literature, mass media and cinema
- ❖ Crime against women and legal remedies, criminal justice system, other government initiatives
- ❖ Ways and measures to prevent crime against women – problems and prospects
- ❖ Any other topics related to main theme.

# ICSSR SPONSORED NATIONAL SEMINAR ON “OPPORTUNITIES AND CHALLENGES OF GOVERNANCE AND DEVELOPMENT IN N.E. INDIA WITH SPECIAL REFERENCE TO ASSAM”

## TWO DAYS NATIONAL SEMINAR

The two days National Seminar on “Opportunities and Challenges of Development in North East India with Special Reference to Assam” sponsored by ICSSR and Organized by the Department of Political Science in association with IQAC, Kakojan College held on 21st and 22nd October, 2019. The main objectives of the seminar were: (i) To investigate and analyze the various aspects of governance and governability of the state of Assam (ii) To find out some new ideas of governance to achieve developmental goals (iii) To identify the prospects and challenges of governance and development in the state of Assam (iv) To suggest remedial measures for the consideration of the policymakers.

The seminar was commenced with an inaugural ceremony. The inaugural function was chaired by **Dr. Hemkanta Hazarka**, President of the Governing Body, Kakojan College. This session started with the lighting of the ceremonial lamp followed by the felicitation of the dignitaries. **Dr. Ruprekha Bordoloi**, Principal of the College delivered the welcome address. In her deliberation, she gave a brief description of the College highlighting the academic journey of the institution since its inception as well as the academic and co-curricular growth and achievement of the same. She also mentioned that the theme of the Seminar is highly relevant today.

**Dr. Rupam Kr. Saikia**, Director of College Development Council, Dibrugarh University also graced the occasion as an inaugurator of the seminar. At the outset, he appreciated the organizers for choosing such a relevant topic for discussion. In his speech, Dr. Saikia demonstrated the necessities of good governance. In the Keynote address, Professor **Susmita Sengupta** of North Eastern Hill University, Shillong insisted that in the era of globalization and liberalization, there is a shift in development paradigm. She highlighted that while Assam is showing some amount of openness to woo business to the state, other states of North-East have not, however, been as spontaneous.

The technical sessions of the Seminar was spread over two days consisting of 5 technical sessions. All total 69 papers were presented in the entire academic discourse.

The two days national seminar came into an end with the valedictory function which was chaired by Dr. Ruprekha Bordoloi, Principal of the College. Dr. Archana Bhattacharjee, Retd. HOD of English and Academic Vice Principal, Kakojan College participated as an observer of this session. This session was also graced by Dr. Bijoy Lakshmi Neog, Vice-Principal of Kakojan College, Mridul Gogoi, HOD of Political Science and Working Chairperson of National Seminar Organizing Committee, Dr. Kshirod saikia, Coordinator, National Seminar Organizing Committee, Kakojan College. In this session, Dr. Kshirod Saikia, coordinator of the national seminar organizing committee, presented a brief report of the seminar.

#### About the Seminar :

In Recent times, issues of governance and development have received serious attention from social scientists, policy maker, administrator and economists. Governance is the cornerstone for ensuring trust of people in government and for political stability, economic development. Generally "governance" refers to the governability of a polity or the capacity of a political system to govern efficiently and to provide the necessary political conditions for socio economic development. The quality and effectiveness of the government enhance the nations' capacity to achieve development objectives. So governance and development are both inter related where governance play an important role in setting the socio political and economic environment to attain developmental goals. Assam is one of the states of North East India and the state has 78,438 square kilometers of coverage. It is a multi cultural, multi ethnic, multi religious and multi lingual society. Apart from diversities, the state is also characterized by varied institutional arrangements of governance. The state has three autonomous district councils formed under the provisions of Sixth Schedule to the Constitution. The rest of the districts in the state are under part IX of the Constitution where Panchayats and Urban Local Bodies are functional. However, there are six autonomous councils related to six of the communities - Rabha-Hasong, Mising, Tiwa, Deori, Thengal Kachari and Sonowal Kachari- which have been formed through State Legislations. Besides, there are 33 community-specific development councils created by the state government which are primarily mandated to focus on development of specific communities. But in respect of development the state ranks significantly below compare to other states of India. The state of Assam witness different kind of problems since its formation. Assam also commonly witness numerous conflicts and violence related to broader, protection of ethnic identity, language and demand for separation which directly affecting life and livelihood of the people of the state. Besides the socio economic problems the state faces recurring floods each year which not only affecting the land and life but also slowing down the development process of the state. Viewed in this backdrop, it is very much essential to investigate and analyze the aspects of governance and governability of the state to synthesize innovative ideas of governance for achieves developmental goals.

#### Sub-Theme:

- Governance and Development in North-east India: theoretical understanding, discourse and debates

#### About the College

Kokojan College was established in 1967 by the educationist, public, social workers and others in the greater Kokojan area in the district of Jorhat, Assam to satisfy the long standing need of Higher Education among the students of the rural area. The college is located in a rural area by the side of National Highway 37 which is 15 km away from the city of Jorhat surrounded by the people mostly belonging to TGL, GEN, OBC, MOBC, SC, ST and Minority. Basically, students coming to Kokojan College belong to poor, backward and flood-affected families. The institution started Science Stream in the year 1994 and the stream has been provincialised by the Government of Assam in 2013. The college invariably secures distinguished results in Higher Secondary and Degree Examination including Rank, 1st Class, Distinction, Star Marks, Letter Marks etc. The healthy academic atmosphere, the good results, the personal care and guidance offered by the faculty members have marked some plus points for the academic growth of the students. The college has established an "Organic Model Garden and Production Unit" in the extended area of the college campus in collaboration with NEADS, a local NGO, and initial support of Fertile Ground, Canada. Upholding the noble mission of the founders to provide Higher Education to the students of the rural, unprivileged and backward area of East Jorhat, the institution moves ahead towards excellence. The college was accredited with "B+" grade in the Second Cycle of re-accreditation by NAAC and also celebrated Golden Jubilee in January, 2018 to mark the successful completion of 50 years.

#### How to reach College

Kokojan college is situated 15 Km away in the east of Jorhat town and 40 Km from the West of Sivasagar town and by the side of N.H. 37. A walking distance of 50 m. from the N.H. 37. The nearest Railway station is Jorhat and Airport is Rowrah Airport.

# WEBINAR ON “ROLE OF SCIENTIFIC ATTITUDE AND SCIENTIFIC LITERATURE IN THE FORMATION AND DEVELOPMENT OF THE SOCIETY”

## REPORT ON

### ROLE OF SCIENTIFIC ATTITUDE AND SCIENTIFIC LITERATURE IN THE FORMATION AND DEVELOPMENT OF THE SOCIETY

A national webinar entitled, “Role of Scientific Attitude and Scientific Literature in the Formation and development of the society”, was organized by the Department of Assamese, Kakojan College, in association with IQAC, Kakojan College on 14<sup>th</sup> July, 2020. This Webinar, held on the Zoom platform, had 500 participants and five of them also presented papers on the specified theme. **Dr. Arabindra Rajkhowa**, Associate Professor, Department of Assamese, North Lakhimpur College graded the event as the Resource Person. In his deliberation, he elaborated on the prevalence of superstition and black magic in our society, even in this age; and therefore, emphasized the need of inculcating scientific temperament among our people. He highlighted that these issues are mirrored in literature. Literature, being a medium close to the public, can be an effective medium to instill a scientific attitude among our people. This webinar started at 11am and was moderated by Dr. Dharmendra Dutta, Assistant Professor, Department of English, Kakojan College. Dr. Ruprekha Bordoloi, Principal of Kakojan College, inaugurated the programme. She stated that the Webinar addresses a very significant topic. The webinar came to a close around 2pm with the vote of thanks delivered by Ms. Navanita Nath, Assistant Professor, Department of English, Kakojan College.

The poster is a colorful collage of information. At the top, it features the title in Assamese and English. Below the title, there are several sections: a photo of the Resource Person (Dr. Arabindra Rajkhowa) with his name and title; a photo of the Moderator (Dr. Dharmendra Dutta) with his name and title; a photo of the Inaugurator (Dr. Ruprekha Bordoloi) with her name and title; and a photo of the Vote of Thanks (Ms. Navanita Nath) with her name and title. The poster also includes contact details for the organizers, the date and time of the webinar, and a QR code for registration. The background is a mix of green, blue, and red.

# WEBINAR ON “THE FUTURE OF GLOBAL POPULATION GROWTH AND SUSTAINABLE DEVELOPMENT”

## REPORT ON THE FUTURE OF GLOBAL POPULATION GROWTH AND SUSTAINABLE DEVELOPMENT

An International Webinar on the theme, “The Future of Global Population Growth and Sustainable Development” was organised by IQAC, Kakojan College on 28<sup>th</sup> June, 2021. The Resource person for this webinar was **Dr. Udoy Saikia**, Associate Professor, College of Humanities, Arts and Social Sciences, Flinders University, Australia. Dr. Saikia presented a very vivid picture of population growth at present and also the projected future growth. Based on his studies of population growth patterns in developed and developing countries, he made a significant point that though the world population is constantly rising, the fertility rate is significantly decreasing in many parts, especially the developed countries. While talking about the effects of population growth on sustainable development, he made another significant observation that most of the African countries (with the highest fertility rate) are not hindering sustainable development. In this fast-changing world, where lifestyle is changing drastically, he emphasized an urgent need to keep our lifestyle more akin to the natural world. This webinar ended with a very fruitful interactive session. Three hundred and ninety one participants joined the webinar from various parts of the country.
