Event: Workshop on "Digital Productivity"

Organised by: IQAC & ICGC, Kakojan College

Date: 22.02.2024

Kakojan College hosted a **Workshop on Digital Productivity** on February 22, 2024. IQAC, Kakojan College, and ICGC organized the program in collaboration with NIIT Foundation and UNICEF. The program's aspirations are to equip students with the digital skills they need to compete in present day scenario. The resource person led a thorough session with the students, explaining how to use digital tools like task lists, PowerPoint, Word, Excel, Project and time management apps, and content management systems to work effectively. As resource persons, Kaustav Kumar Dutta, Anjshuman Bora, Rintumoni Hazarika, and Utpal Bhattacharya imparted their knowledge to the students and assisted them at every turn to accomplish the specifications for garnering the certificate. 74 students actively participated in the programme and complete the steps and receive the digital certificate for successful completion of the given task.
