

Celebration of National Science Day

Date: 28/02/2023

Organised by: Science Club, Kakojan College & IIC, Kakojan College

The Science Club, Kakojan College in collaboration with IIC, Kakojan College celebrated National Science Day on 28th February, 2023. A lecture programme was organised on the theme 'Global Science for Global Well-being'. The resource person for the event was Dr. Swapnali Hazarika, Principal Scientist, CSIR, NEIST. She delivered a speech on the specified topic. A Science Model making competition was also organised among the students of the college. Around 50 students attended this programme.
