

Sensitization programme on Common Cancer

Date : 12.11.2022

Organized by: NSS Unit, IQAC, & Dept. of Botany, Kakojan College

On 12th November, 2022, a sensitization programme on Common Cancer was organized by the NSS Unit of Kakojan College in collaboration with IQAC, Kakojan College, Department of Botany, Kakojan College and Assam Cancer Care Foundation. The resource persons of this event were – Dr. Nilofar Hassan, Dentist, ACCF; Mr. Dhruvajyoti Kakoti, District Health Manager, ACCF; Ms. Manoshi Goswami, District Coordinator, ACCF; Mr. Jaganath Agniborah, Social Worker, Jorhat. They elaborated on the many kinds of cancers which have become very common now-a-days. They also emphasized on the signs and symptoms of various cancers, as early detection can prevent cancer from becoming life threatening. Moreover, they also talked about lifestyle changes and food habits that can prevent cancer. A total of seventy students and ten NSS volunteers attended the Programme.
