

# Celebration of World Environment Day

Date: 05/06/2022 to 09/06/2022

Organised by: Science Club, IQAC, NSS, IIC & MGNCRE Unit, Kakojan College

Science Club, Kakojan College celebrated 50<sup>th</sup> Anniversary of UN World Environment Day. The theme of the event was “Only One Earth”. A one week programme on ‘Go Clean and Green’ was organised by Science Club in association with IQAC, NSS, IIC & MGNCRE Unit, Kakojan College from 5/6/2022 to 9/6/2022 followed by various events and activities. Students were encouraged to come forward and participate in the event with their ideas on: “Going Clean and Green is our dream”, “Execution of Ecobrick Project”, “Drop your Best Idea”, and “Best Product out of waste material”. There was a Pledge taking ceremony related to the protection of Environment on 5<sup>th</sup> June. On 6<sup>th</sup> June, a programme of installation of Bird feeder and installation of Bamboo dustbins in the college campus was held. On 7<sup>th</sup> June, a Plantation Drive was organised in the neighbourhood of the college. On the final day, an exhibition was held where students displayed products made out of waste/discarded materials. Throughout these days Environmental Awareness programme, programmes related to reuse and recycle of waste materials etc. were organised in the college campus. 105 students and all faculty members actively participated in the programme.
