Action Taken Report

The feedback received from the alumni was carefully analysed, and the following actions were undertaken:

1. The valuable suggestions and observations of the alumni regarding the curriculum were duly noted and communicated to the concerned departments for consideration and improvement.
2. Departments were encouraged to strengthen their engagement with alumni by maintaining regular communication and organising alumni meets to foster long-term institutional relationships.
3. Alumni feedback on various aspects of institutional development was taken into account and considered during the planning and implementation of quality enhancement initiatives.
