

AWARENESS PROGRAMME ON “CONSERVATION OF WILDLIFE”, “CONSERVATION OF INDIGENOUS SEED AND SUSTAINABLE AGRICULTURE” AND “OPEN QUIZ ON ENVIRONMENT”

DATE: 04.04.2023

ORGANIZED BY: IQAC, KAKOJAN COLLEGE

An Awareness programme on “Conservation of Wildlife”, “Conservation of Indigenous Seed and Sustainable Agriculture” and “Open Quiz on Environment” was held at Kakojan College premises on 4th April, 2023. The programme was organized by IQAC, Kakojan College in association with Aaranyak, a nature based NGO, who work on conservation, climate change, disaster management and improvement of livelihood of marginalized community through research and advocacy. Another associative organization was Annapurna Seed Lending Library, Meleng, Jorhat. In this event, an MOU was also signed between Kakojan College and Annapurna Seed Lending Library. The programme was inaugurated by the Principal, Dr. Ruprekha Bordoloi. In her deliberation, she informed all the students about their role in conservation of the environment as a responsible citizen. Students from the neighboring institutions – Kakojan Boys’ Higher Secondary, Balya Niketan, and Arohan Academy Junior College – also attended the event along with the students of the host institution. Around 60 students attended the event.
