6.5.2 Incremental improvements made with regard to quality and post accreditation quality initiatives.

As per recommendation of the peer team report in 2nd cycle of re-accreditation. The following quality enhancement activities have been taken.

Sl. No.	Recommendation	Action taken
1	Introduce viable value added, job oriented short term certificate, diploma and P.G. degree.	Introduce eight (8) short term add on certificate courses for degree students and it is continuing.
2	Take measures to develop communication and soft skills of students.	Measures have been adopted to develop communication and soft skills of students through certificate courses, workshops etc.
3	More effective use of ICT in teaching, learning and research must be ensuring.	Enhanced the use of ICT in teaching, learning and research through online platform, Google Classroom, Google Meet, Zoom App and E-learning Web page.
4	Emoluments of contractual teaching and non-teaching staff should be enhanced.	Emoluments of contractual teaching and non-teaching staff have been enhanced.
5	More teaching and non-teaching posts should be sanctioned	Providing more sanctioned post depends upon the decision of the state Govt. Retired vacant post have been filled up.
6	Career Guidance and Placement Cell be made effective.	Career Guidance and placement cell organizes various programmes and monitors the short term add on courses.
7	Structured feedback from all stakeholders must be practiced.	Structured Feedback from Alumni, Students and Employees is in practice. Due pandemic feedback from parents could not be taken.
8	College boy's hostel and more hostel for girls be built and efficient transport facility be created.	Due to the lack of financial support more hostel facility could not be provided. Suitable Public Transportation services are available.
9	Auditorium, Gymnasium spacious Indoor Game Room are needed.	Provided facilities with limitation.
10	More research funds from UGC/DBT/DST/ State Agencies should be procured.	Applied for DBT Star College Project.
